*****PE days*****

On the days your child has PE we have decided children can come to school in their PE kits. Please ensure they have their Kingsmoor cardigan/sweatshirt to keep them warm and wear black/navy/grey joggers if cold outside. They will need to wear daps or trainers on these days. A coat should also be brought. This is to avoid changing in school and bringing in items from home. Also enables kit to be washed regularly.

Please see below for this term's PE days.

Behaviour and expectations

It is extremely important that all children follow our school's behaviour policy which reflects our Kingsmoor code. The governors have approved a new 'Behaviour policy' for September 2020 – with clear expectations for the children. Parents will receive full information regarding this upon our return. An amendment has been written linking to COVID-19 – and the importance of hygiene and expected behaviours in school.

Our Kingsmoor code

We look after each other, our school and everything in it,

We try our best in everything we do,

We are friendly and polite towards each other.

Thank you for your continued support
