*Welcome back to the start of a busy summer term.  
We hope everyone had a restful and relaxing Easter Holiday*

The successful applicant would be subject to a DBS police check and references.

## AFTERSCHOOL CLUBS

Details of clubs for the summer term have been sent home today. Please complete the forms and return by Friday 19<sup>th</sup> April. Most clubs will commence next week back and finish on Friday 12<sup>th</sup> July. Please be advised that on the occasion of a club cancellation, unfortunately your child **will not** be automatically placed into late leavers. This is due to the fact that numbers are limited within our extended school service and staffing ratios have to be maintained.

Also as previously advised there are certain evenings when due to numbers, drop in sessions are unavailable for Late Leavers Club. Priority is given to parents that have working commitments (as this is an extended school service) and have booked in sessions for the whole year. **Could parents please advise if their child/children will not be attending on certain days in order that we can reallocate spaces when available.** Thank you.

## DANCE FESTIVAL - FRIDAY, 24<sup>TH</sup> MAY

Our annual celebrations are on Friday 24<sup>th</sup> May starting at 1.30pm.

All parents family members are welcome and your child will appear in at least 2 dances. Please consider the access requirements of the local community when parking in the village. We will try to gain access to a nearby field again for parking.

Refreshments organised by Kingsmoor Friends will be available

## PE KIT

Throughout the summer term and especially if the weather is good, we have lots of opportunities for PE. Please ensure therefore that PE kit is in the school at all times in case of additional lessons/activities.

## ATTENDANCE AND PUNCTUALITY

**Attendance** - Thank you to all parents that strive to keep their children in school as much as possible (while they are healthy) and avoid booking holidays in term time.

Our attendance rates compare very favourably with local and national statistics and this is due to your support.

**Punctuality** - the vast majority of children are ready for lessons starting at 9.00am and take a full part in the planned activities of the day which are so important for setting up their learning for this first session.

A days absence here and there, and 10 minutes missed off the beginning of the day may not seem like much but these times add up and do have an effect on the children both socially and for their learning. Your support in these matters is vital and is good training for later life.
