A message from Mrs Warren – Wishing everyone a happy and healthy holiday

So another academic year comes to a close..... They honestly do go faster each year – must be an age thing!

I continue to be extremely proud of all pupils, staff and our school community for all of the hard work, support and positive attitudes towards our pupils' education. By continuing to work together and 'trying our very best' it really does make a difference to the positive outcomes each child is able to celebrate at the end of another academic year. This year has seen whole school developments in curriculum planning, with pupils working hard to recall the knowledge they have been taught and developing strategies to enable that knowledge to stick! Staff continue to provide opportunities for pupils to enrich their learning, musically, through sport, art, design and technology and we have had many successes this year which we are really pleased about. Many thanks to all the Kingsmoor staff, governors for their hard work throughout the year. You are all amazing.

We wish our Year 6's and their families all the very best in their next steps – be a Kingsmoor scholar, just in a new setting.

Thank you all again for your continued support and I wish every family a lovely holiday – hopefully with some days in the sun.

Mrs Warren

Miss Floris will still be linked with the school so children will see her in classes across the school during the following year.
