

Homework Week Commencing Monday 28th September 2020

As you know from assembly on Friday morning, Saturday 26th September is European Day of Languages. We have been celebrating this day in school by learning our 'Greeting' song in French and creating a poster for a European Country.

For homework this week, I would like you to create a fact file or poster for a different European Country than the one you were given in class. Please include pictures and interesting facts. Some questions to help you get started are:-

What does the flag of the country look like? What is the weather like?

What languages do the native people speak? And can you say/speak any of the words from that language?

What do the people wear? What food do they eat?
