4. ELIMINATING DISCRIMINATION

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination and other prohibited conduct.

Staff and governors are regularly reminded of their responsibilities under the Equality Act.

New staff receive training on the Equality Act as part of their induction, and all staff receive refresher training.

5. ADVANCING EQUALITY OF OPPORTUNITY

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have.
- Taking steps to meet the particular needs of people who have a particular characteristic (e.g. enabling Muslim pupils to pray at prescribed times)
- Encouraging people who have a particular characteristic to participate fully in any activities

In fulfilling this aspect of the duty, the school will:

- Review attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information

- Make evidence available identifying improvements for specific groups (e.g. declines in incidents of homophobic or transphobic bullying)
- Publish further data about any issues associated with particular protected characteristics, identifying any issues which could affect our own pupils

6. FOSTERING GOOD RELATIONS

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Instilling our school values throughout the school and wider community. This is communicated through our Kingsmoor code: *'We look after each other, our school and everything in it, We try our best in everything we do, we are friendly and polite towards each other.'*
- Promoting tolerance, friendship and understanding of a range of religions and cultures through different aspects of our curriculum. This includes teaching in RE, citizenship and personal, social, health and economic (PSHE) education, but also activities in other curriculum areas. For example, as part of teaching and learning in English/reading, pupils will be introduced to literature from a range of cultures and Mystery Mondays which can focus on SMSC (Social, moral, spiritual and cultural).
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute.
- Working with our local community. This includes inviting leaders of local faith groups to speak at assemblies, and organising school trips and activities based around the local community.
- Encouraging and implementing initiatives to deal with tensions between different groups of pupils within the school, including modelling restorative justice, forgiveness and respect. All pupils are encouraged to participate in the school's activities, such as sports clubs.
- We are developing links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. EQUALITY CONSIDERATIONS IN DECISION-MAKING

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Cuts across any religious holidays
- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

8. EQUALITY OBJECTIVES (TO BE REVIEWED AND PUBLICISED EVERY 4 YEARS – next review 2028)

Objective 1: To continue to promote understanding and respect for diversity.		
Why we have chosen this objective	To achieve this objective we plan to	Progress we are making towards this objective
Many children within our locality have limited experience of diverse communities.	Ensure school policies and procedures promote equality of opportunity. Ensure all staff are aware of our responsibility with regards to the equality act. Ensure our school curriculum promotes tolerance of all groups. To continue with our block teaching of RE and British Values each term. To facilitate the introduction to, and understanding of, other religions and cultures to our children. To continue the implementation of our new PSHE curriculum across the school. To look at current issues such as flooding on the Somerset levels, deforestation in Sierra Leone/Borneo/Amazon.	Welcoming international Chinese students annually through our links with Knowle hall. Ofsted reports on strong understanding of diversity through high quality texts taught and read by KS2 pupils – ‘Once series.’ Ensuring the curriculum, especially RE, Geography and PSHE includes learning about the diversity in the UK and the wider world. Supplemented by Mystery Monday days – Euros ‘24 - research/knowledge of European countries. <p>Why we have chosen this objective</p>	<p>To achieve this objective we plan to</p>	<p>Progress we are making towards this objective</p>
<p>Kingsmoor implemented a new behaviour policy in September 2020.
