Kingsmoor Primary School Sporting Achievements in 2023 and running into 2024

Sport at Kingsmoor continues to be very popular with the children across the school. The school was awarded the Gold school games award for the 2022/2023 academic year. This award recognised the schools commitment to:

- Widening the competition environment in order to develop character and life skills, Adapting the scoring to develop different sport skills;
- Adding fun elements to engage new audiences;
- Widening the competition environment to develop health;
- Considering age or maturity levels to support fair competition and foster social connections;
- Adapting the competition environment to support individual development in sport
- Developing a clearly planned approach to 60 active minutes and in particular the 30 minutes that your school is driving for every child within your school day

Through the schools membership of the BPSSA, pupils have continued to be given the opportunity to participate in a wide variety of inter school competitions (See below)

This year's aim is to widen the opportunities for all school pupils to attend free afterschool sports clubs and the variety of provision which they receive.

Swimming and Water Safety in 2022-2023

The Year 6 cohort of 22-23's swimming progress was impacted due to Covid-19.

Meeting national curriculum requirements for swimming and water safety Due to exceptional circumstances priority has been given to ensure that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	Our Year 6, Year 3 and Year 1 children took part in swimming sessions during the Autumn Term. The number of children in Year 6 was 24
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school. Please see note above	Of these, 50% children have demonstrated that they can swim 25 metres competently and confidently.
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	Of these, 92% children have demonstrated that they can use a range of strokes effectively
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	Of these, 92% children have demonstrated that they can perform a safe self-rescue procedure
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	From Year Reception to Year 6, additional support is given via 1 to 1 or low ratio tuition for those children new to the school or facing water confidence challenges.
