9th March' 21

Dear Parents, Carers,

It is so lovely to have all our children back into school where they should be! The classrooms and outside areas are certainly alive and buzzing with happy faces – long may it continue!

I write to update all parents that sadly Miss Tucker (Year 4 class teacher) will be leaving Kingsmoor at Easter.

Miss Tucker has been a valuable member of the Kingsmoor team for the last 5 years having joined the school as a newly qualified teacher. This additional teaching post for the school enabled the school to run in a single year group structure across Key stage 2 in the mornings which has been extremely beneficial and shown great impact during this period of time.

Prior to teaching, Miss Tucker worked within the scientific field and her knowledge and skills in this area have certainly been utilised while she has been at Kingsmoor. She has lead the team in the implementation of Science across the school and has significantly improved the quality of the science lessons which are currently being delivered enabling all children to experience a range of exciting experiences in the world science!

This has not been an easy decision for Miss Tucker to make as she is really enjoying working with the current year 4 cohort. However, it is her science roots that are now calling again as she has been given an opportunity to work alongside a new development within the Scientific field!

I am sure you will join myself and the Kingsmoor team in wishing Miss Tucker all the very best in her new venture - we wish her every success.

We will ensure the pupils and the Kingsmoor team are given the opportunity to pass on their thanks and appreciation to Miss Tucker towards the end of term – when further thankyou's will be made!

Kind regards
Mrs Warren

J. Warren
